

Ten Ways Educators Might Use MICA

10 Ways Educators Might Use MICA...

1. Have teachers make a test with all the test items and take it personally to better understand the content expectations of the test.
2. Use a few questions as a pre-test and/or post-test to find out what students know before and after a unit.
3. Use a question as an exit ticket after a lesson or assign problems for homework.
4. Use several questions as a center as part of center rotation.
5. Use a question to create a classroom learning probe.

10 Ways Educators Might Use MICA...

6. Assign one question to the class and walk through it together to learn the features.
 7. Use problems as part of a larger formal assessment.
 8. Assign problems during intervention or enrichment time.
 9. Create individualized quizzes based on student areas of improvement or use relevant questions on a chapter or unit test.
 10. Create a common test-let with other grade level or PLC teachers and review results together.
